Introduction

RSR C&T International Limited is a newly formed construction company founded by a collective of highly experienced individuals with a rich history of contributing to projects at both national and international levels. Our accomplished team is driven by a shared commitment to excellence, channeling our expertise to deliver exceptional results swiftly. At RSR C&T, we stand at the forefront of the construction industry, embodying a passion for crafting quality structures with dedication and efficiency.

Mahbubul Alam Chairman

Mahbubul Alam completed his graduation from the University of Bangalore Bsc in Computer Science and Communication (CSC) in India in 2007 and worked as an Office Admin Assistant & HS Engineer for over 3 years at Samsung C&T Corporation on the Star Residence Project in Kuala Lumpur, Malaysia (October 07, 2016 - October 22, 2019). Before that, I served as an HR Manager for more than 4 years at Daewoo E&C on the Matrade Exhibition Center Project in Kuala Lumpur, Malaysia (June 01, 2012 - September 30, 2016). Currently, fulfilling the role of PR Manager - HR & Admin (Head of HR & Admin Team) for about 4 years at Samsung C&T Corporation on the Aviation Dhaka Consortium (ADC) Airport 3rd Terminal Project in Dhaka, Bangladesh (November 01, 2019 - July 23, 2023).

Speech from Mahbubul Alam

It is my belief that our rich and textured past experience, coupled with the values that RSR C&T International Limited embodies and instills integrity, respect, leadership, innovation, and cooperation will propel us to greater heights as we take on newer and bigger challenges. We hope that we will continue to succeed just as we have before because of the strength of our character. The depth of knowledge in our people and the conviction of purpose with which we conduct ourselves with our customers and communities.

Colonel Abu Bashir BSP Managing Director

Colonel Abu Bashir BSP, EMBA completed his graduation from university of Chittagong on economics. He served 30 years in Bangladesh army. Besides routine army operational and administrative activities. He served as commanding officer of Boarder guard for 4 years, special security forces for 7 years and united nation for two years. He served as project director of Jolshiri Abashon for 4 years. He also performed the responsibilities of constructing the Sylhet new cantonment. Most of the time colonel Bashir was involved in construction of various kind of projects, among them SSF mess of Prime minister's office, construction works of sylhet cantonment and Construction works of Jolshiri Abashon. An expert who has got very good knowledge of land acquisition and management.

Speech from Mr. Abu Bashir

We are confident that we can fulfill every aspect of your engineering & construction services and manpower needs to your utmost satisfaction. With that, we hereby propose to enter into a strategic alliance with your esteemed organization to provide you with the most efficient, economical, and responsible manpower, material supplies, and engineering & construction services. Whether it is for recruitment of technical staff or non-technical, we offer you the best service. With our style of operation, we assure absolute confidentiality, utmost professionalism, and promising results.

My Managing Directorship position at RSR C&T International Limited means more responsibility to ensure that our claims of fulfilling your Manpower & Engineering services efficiently.

We take this opportunity to sincerely thank all our existing and potential Clients as well as our keen candidates for your interest, trust, and cooperation with RSR C&T International Limited.

Md. Arif Al Mamun

HSE Engineer
Deputy Managing Director

Arif obtained his bachelor's degree from a recognized private university in Bangladesh in 2008. He has specialized certificates in Nebosh, IOSH, OSHA, Environment Sustainability. Arif also attained a diploma on fire science and occupational safety from FSCD & National Technical Board of Bangladesh. He started professional journey at Matrade Exhibition Center PJT with Daewoo E & C, a Korean construction company, serving as a Health & Safety Supervisor in Kuala Lumpur, Malaysia (October' 2015 to February' 2017). Transitioned to Samsung C & T, contributing as an HSE Supervisor at Star Residence Project Kuala Lumpur (March' 2017 to November' 2019) and later returned to Bangladesh to play the role of an HS Engineer in the HSIA (TERMINAL 3) Project under Samsung C&T (ADC) (February' 2020 to April' 2023).

Speech from Mr. Arif

I am delighted to extend a warm welcome to each of you as the Assistant Managing Director of RSR C&T. Our journey as a company is an exciting tale of commitment, expertise, and a relentless pursuit of excellence.

At RSR C&T, we bring together a team of seasoned professionals, each contributing years of valuable experience gained from diverse national and international projects. We aspire not just to build structures, but to create lasting landmarks that stand as a testament to our dedication and proficiency.

As we move forward, RSR C&T is committed to not only meeting but exceeding your expectations. We promise to continue crafting quality structures that leave an indelible mark on the landscape. We are not just builders; we are creators with a vision.

I invite you to join us on this exciting journey. Let's collaboratively forge a future characterized not only by its structural foundation but also by innovation, integrity, and magnificence.

Thank you for being a part of the RSR C&T family.

Md. Ariful Kabir

Director (Business Development)

Mr. Ariful Kabir completed his Honours and Masters in Marketing (RU). Working experience as a Director (Marketing Business Development & liaison) at my own company Agro Zone Pvt Ltd (joint venture business with Bangladesh Bank) since 2005. Working as a (Director of Marketing) of Desa Securities Ltd a Sub Brokerage House, dealing with executive and corporate client's portfolio management. Good Connections with business group principals and political lobbyists also.

Speech from Mr. Kabir

A crucial element of our company philosophy has been to establish trust and authenticity among our clients and among the people that make up our database, thus our motto is "A right path to your Career". The Recruitment Engineering & Construction specialist, as we know is the result of our continued strives for excellence by providing the highest quality of service to our clients at the right people and at a comparative price, for which we are internationally renowned. As success lies in the ability to adapt to changing times, we always anticipate that change and mold our service to meet the needs of our valuable clients. The main aim of our company is mainly to human development and manpower recruitment, training, and export of different categories of workers to all of Bangladesh and other related businesses.

We're always prepared to accept such challenges by integrating each type of activity involved in the placement job and bringing them under one umbrella.

Md. Bazlar Rahman

Director (Sales & Marketing)

Md. Bazlar Rahman has got vast knowledge on land related activities. He has got a very good knowledge on land related rules and regulations. He is a very good business developer who maintains good liaison with all tyre of high official. An owner of a real estate company named Sweet Dreams Abashan BD.

Speech from Mr. Bazlar

We are confident that we can fulfill every aspect of your engineering & construction services and manpower needs to your utmost satisfaction. With that, we hereby propose to enter into a strategic alliance with your esteemed organization to provide you with the most efficient, economic and responsible manpower and engineering & construction services. Whether it is for recruitment of technical staff or non-technical, we can, rest assured, be relied upon to offer you with the best service.

Hossain Ahmed Majumder

(B.Sc. in Civil Engineering)
Project Director

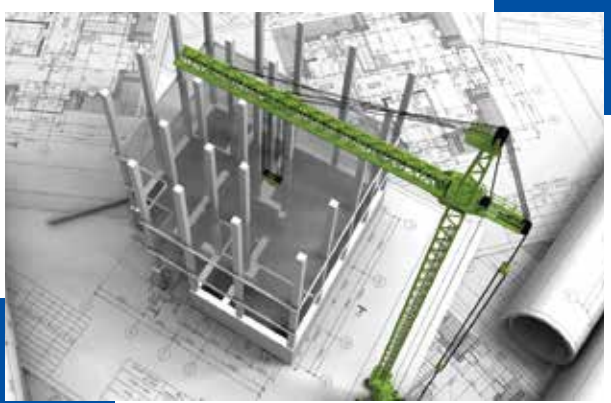

Started professional life with Foster Real Estate Ltd as an Engineer (Planning and Construction) subsequently joined at Borak Real Estate Ltd and Alliance Properties Ltd. During this tenure completed so many prestigious commercial and residential highrise buildings. After a successful journey in real estate, joined MRT Line-6 under Italian Thai Development PLC and then HSIA Terminal-3 under Samsung C&T. In those prestigious mega construction projects served a key role overall in charge of Bored pile construction later as well as pile cap, pier, viaduct, steel structure, building, tiles, xpm ceiling, xpm cladding, and other utility work also.

Speech from Mr. Hossain

I trust this message finds you well. As we navigate the ever-evolving landscape of technology and innovation, I am proud to lead a team of dedicated engineers committed to excellence. Our collective efforts have not only met but exceeded the high standards we set for ourselves. From ground-breaking projects to intricate problem-solving, your ingenuity continues to drive our success. Let us continue to collaborate, innovate, and inspire as we chart the course for future achievements. Together, we will continue to shape the future of construction through our passion and expertise. Thank you for believing in our unwavering commitment.

ABOUT US

The Journey of RSR C&T International Limited began in 2022 with some highly experienced individuals with a rich history of contributing to projects at both national and international levels. In this time we have successfully run some valuable govt. and non-govt. projects like infrastructure development, building and civil works, and industrial, residential, and commercial development projects in Bangladesh.

ECO-FRIENDLY PRACTICES

At RSR C&T we value the environment we work in. We use eco-friendly construction equipment and vehicles that leave behind the least amount of carbon footprint. We focus on providing the highest quality professional engineering, designing, and drawing services to ensure eco-friendly construction within budget.

TECHNOLOGY

We use cutting-edge technology to ensure the best-in-class quality and safety for our projects. The use of advanced technology is a strength of RSR C&T that doesn't only allow us to complete our projects faster even also within budget with lesser environmentally harmful impact.

SAFETY

"Safety, the only way to work!"

That is the motto by which we live.

We accentuate to create a disaster proof work environment to ensure high level of safety while maintaining quality of work. We follow health and safety oriented best practices through workers training, disaster management programs, promoting hazard precaution awareness and regular field supervisory to maintain a safe and hazard free work environment.

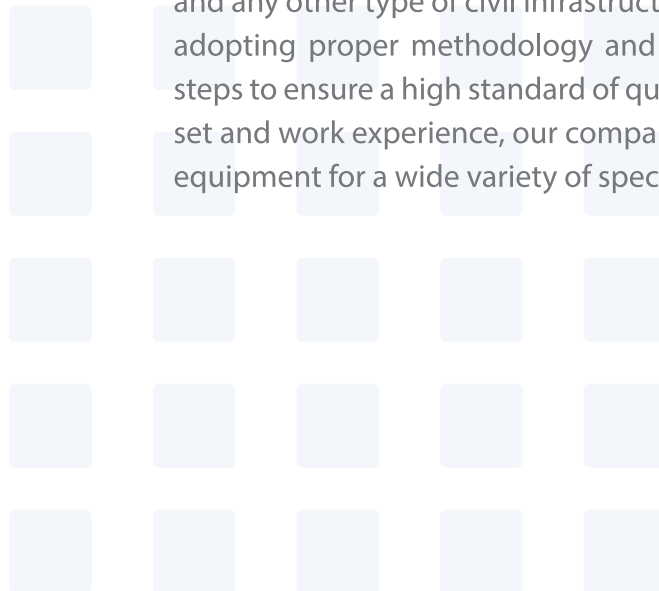

ON TIME PROJECT DELIVERY

We follow global standards to manage projects effectively and efficiently to ensure project completion within the designated timeline and budgetary provisions.

THE CORE AREAS OF OUR ACTIVITIES

RSR C&T International Limited has a target to be one of the front runners in the countrywide construction and rehabilitation projects of land development, building, and township development, marine and coastal engineering, road and expressway, bridge and flyover construction, high-rise building glass installation and replacement and any other type of civil infrastructure work within the time limit by adopting proper methodology and following project management steps to ensure a high standard of quality. Along with a positive mind-set and work experience, our company processes all types of modern equipment for a wide variety of specialized tasks.

VISION

To be a world-class construction company committed to customer satisfaction and enhancing shareholder's value, by building on our strengths-innovative designs, superlative quality of material, cutting-edge technology, timely completion, and demonstrating the highest standards of workmanship clients for a better tomorrow where our customers and partners are an integral part of the company's success.

RSR C&T
International Limited

MISSION

We pledged to protect the health, safety, and welfare of each other through the achievement of a zero-incident workplace by working together and we aim to become the preferred construction partner for all of our stakeholders. Our professional conduct will establish a track record of industry excellence shareholder value will be maximized by building a sustainable business presence in Bangladesh and targeting international markets.
